Do you have a couple of minutes to chat? It might be easier in person.

See below. Did the team get on the same page? I don't want to go into a briefing with Ed if folks aren't on the same page.

I originally wanted DDs to get together first on aldicarb and then talk to Ed. But since Alex is asking for a briefing next week and we don't have time to get to Ed separately, I plan on forwarding the invite for this afternoon to both Ed and Mike. I don't know if they will be able to make it, but would prefer to give them the opportunity.

Any objections?

Regards,
Marietta
